Posts - Aluminium

Guttering - Aluminium

Roof Sheets - Choice of 6mm toughened glass, 6mm self cleaning glass* or 6mm solid polycarbonate (*see price list for additional cost)

Colour Options:

The main frame, roof bars, guttering & posts are supplied in a choice of white (semi gloss) or Anthracite Grey (RAL 7016) as standard, yet they can be powder coated to meet any RAL.

The Simplicity 6 is a stylish veranda, canopy and carport system that is covered with a choice of 6mm thick toughened glass, 6mm self cleaning toughened glass or 6mm solid polycarbonate roof panels. This structure has been introduced to offer our customers a high-end veranda solution using the best possible materials.

We work in partnership with the UK's leading glass manufacturer so that we can offer you a choice of glass or polycarbonate roof options.

Simplicity 6

Features & Benefits

Three Roof Options:

6mm Toughened Glass is toughened during manufacturing and achieves Class 1 BS EN 12600 for impact performance

UV Activated Self Cleaning Glass – These glass roof sheets have a UV activated special coating that is applied during manufacture that breaks down organic dirt which is then washed away by the rain

Wide Range of Colour Options:

The aluminium frame can be finished in any RAL colour.

High Light Transmittance:

The glass options offer high light transmittance and is almost indistinguishable from regular glass.

Low Profile:

The Simplicity 6 can be fitted in height restricted areas due to our low required minimum pitch of 2.5 degrees (up to 3.2m Projection, beyond 3.2m changing to 5 degrees pitch).

Full 10 Year Guarantee:

The Simplicity 6 is supplied with a full 10 year guarantee and a 25 year life expectancy for the canopy frame

Victorian Upgrade:

The simplicity 6 is available with the Victorian Upgrade. This enhances your structure with a decorative design, perfect for traditional buildings.

Integral Aluminium Guttering:

Creates a sleek, modern design which is stronger than external guttering systems and saves time on installation.

Low Maintenance:

No need for repainting throughout the life of the canopy, a simple clean and removal of debris from the integral gutter is all that's required.
